Harry,

Is it feasible to get this damn thing redone so that it can be read, by which I mean keep the format and the artwork, etc., but just reset it in larger type and perhaps a larger sheet of paper and more pages or whatever? How quickly can this be done?

ADDA gave attached pamphlet to P&PD who will have printed in a larger type. Evidently pamphlet was originally put out by Westminster College, not P&PD.

DDA met with DCI 5 Dec and DCI said not to reprint the pamphlet in a larger type--he will pass out the pamphlets received from Westminster. Speech printed in larger type was forwarded to PAO for their retention and use.
